CONGRESS OF RACIAL EQUALITY
(C.O.R.E.)

On August 17, 1961, a racially mixed group of about forty individuals picketed the Federal Court House, Ninth and Chestnut Streets, Philadelphia, Pa. This picket line was sponsored by the Philadelphia Chapter of the Congress of Racial Equality (C.O.R.E.)

A flyer was distributed which is set out in full below:

"WE PLEDGE OUR SUPPORT TO

THE FREEDOM RIDERS!

"This past Monday in the Hinds County, Mississippi Courthouse, more than 150 Freedom Riders appeared before a judge of the Mississippi court. They are on trial as a result of their attempt to use the American right to travel freely on the Nation's highways.

"We feel that the trial of these Freedom Riders represents the decision of Americans of North and South, Negro and white, to end the shame of segregation in this nation.

"We appear here to express our sympathy with the fight for freedom being carried on by the Freedom Riders and to carry on this fight in our own City of Philadelphia, working to see that all men and women, regardless of race, religion or color, are given an equal opportunity in their pursuit of happiness.

EAST HOLLYWOOD INTERRACIAL COUNCIL (EHIC)

The "Daily People's World" (a West Coast Communist newspaper) on February 23, 1951, page 2, carried an article announcing the formation of the East Hollywood Interracial Council. This article stated the council would "operate to unite Americans of different racial backgrounds....emphasis on the new council will be on developing Negro-white unity as a safeguard for democracy."

An informant advised on June 4, 1958, that the EHIC had been completely inactive for several months prior thereto due to the interest of its leaders in other activities. Informant advised that the organization had not been officially dissolved as of that date, however. Informant stated that the EHIC was a small group which, until its recent period of inactivity, had been guided and controlled in its policies and objectives by [REDACTED]

FAIR PLAY FOR CUBA COMMITTEE (FPCC)

A source advised on April 17, 1961 that the FPCC was formed in New York City in the Spring of 1960 under the sponsorship of well-known Pro-Communists and "liberals" for the announced purpose of defending the "truth" about Cuba from distortion by Cuba's enemies. A "Greater Los Angeles Chapter" of the FPCC was formed in Los Angeles in December, 1960 under the stimulus of the Los Angeles Local-Socialist Workers Party (LAL-SWP). The Los Angeles Chapter is under complete control and domination of the LAL-SWP.

Another source advised on February 28, 1961 that DOROTHY HEALEY, chairman, Southern California District Communist Party (SCDCP), had instructed that all Party sections should assign at least one person to work in the FPCC. HEALEY stated that CP members must work with this committee regardless of the fact that the SWP is in control.

LOS ANGELES PREPARATORY COMMITTEE FOR THE 7th WORLD YOUTH FESTIVAL, aka., The Los Angeles Festival Committee

On May 3, 1961, a source advised that the Los Angeles Preparatory Committee for the 7th World Youth Festival, also known as the Los Angeles Festival Committee, was created early in 1958 by a group of youth who had attended the 6th World Youth Festival held in Moscow, Russia, in 1957. The Committee was established for the purpose of supporting and urging attendance at the 7th World Youth Festival which was held in Vienna, Austria, in July and August, 1959.

The original officers of the Los Angeles Festival Committee were all members of the Labor Youth League (LYL) and in effect the Committee, since its inception, was dominated by individuals who were members of the LYL. The chairman of the Committee, ROBERT KAUFMAN, was a member of the LYL prior to its dissolution in February, 1957.

Meetings of the Organization, however, were open to all individuals interested in attending the Festival, and attendance at meetings of the Committee does not necessarily indicate a sympathy for the Communist movement. The Committee attempted to gain broad support for the Festival on the various high school and college campuses in the Los Angeles area.

Following the holding of the Festival and the return of the Los Angeles Delegates, the Committee continued in the form of a propaganda bureau providing speakers and films depicting the Festival. It also had as its purpose the publicizing of future youth festivals and to promote the theme "peace and friendship". This activity gradually decreased during the year 1960 and the committee has now ceased to exist.

The LYL has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

Communist Party (CP) members are assigned to work on this committee by the CP to assure the success of the May Day celebration.

The 1958 May Day celebration was sponsored openly in the name of the CP, instead of the May Day Committee and the 1961 May Day celebration was held under the name "Committee for '75 Years of May Day'".

PROGRESSIVE YOUTH ORGANIZING COMMITTEE (PYOC)

On February 9, 1961, a source advised that the Progressive Youth Organizing Committee (PYOC) was established at a national socialist-oriented youth conference held in Chicago, Illinois, December 30, 1960, through January 1, 1961. This conference was the result of a mandate issued by the National Executive Committee, Communist Party, USA, calling for a youth conference to establish an organizing committee whose objective would be to set up a national socialist-oriented youth organization. The conference scheduled a convention to be held within a year to found a new national socialist-oriented youth organization.

The PYOC has its office in Room 638, 80 East 11th Street, New York, New York.

Freedom Riders - Miscellaneous

The 8/30/61 edition of "The Detroit Free Press", Metro Final, Page 1, Column 2, carried an article reflecting that the following Episcopal ministers plan to become Freedom Riders on a "Prayer Pilgrimage" Bus departing New Orleans, La. on 9/11/61 and arriving Dearborn, Mich. 9/16/61:

LA

Rev. MALCOLM BOYD, Chaplain, Wayne State University, Detroit, Mich.
Rev. JOSEPH S. DICKSON, Rector, St. Joseph's Church, Detroit, Mich.
Rev. JAMES B. GUINAN, Rector, Trinity Church, Farmington, Mich.

According to this article, the Prayer Pilgrimage is being sponsored by the Episcopal Society for Cultural and Racial Unity, an Episcopal church group with headquarters in Atlanta, Ga.

"The tour is primarily to alert the church and General Convention to the situation within our own structure and to recognize that we are all involved" (Quotes in article from un-named spokesman)

Article stated that the Society hopes to gather 37 priests from across the nation for a briefing and prayer session in New Orleans on 9/11/61 and then go to Jackson, Miss., the next day. The tour will include a half dozen Episcopal related colleges in the South, some integrated, some not. The men on the tour

SUBJECT: FREEBUS

On 9/6/61 [redacted] CORE,
Jackson, Miss., advised SA HUNTER E. HELGESON as follows:

CORE is continuing its efforts to recruit new Freedom Riders for travel to Jackson, Miss. New recruits will be accepted only if they agree to spend six months in jail as CORE does not intend to follow past procedure of bonding the FR out after spending a short time in jail. [redacted] acknowledged that the Freedom Rider movement into Jackson is temporarily "bogged down" because of pending litigation involving FRs convicted in past, making their bonds, returning them to Jackson for trial and the like.

The Freedom Riders who are returning to stand trial in Hinds County Court after appealing from conviction in Jackson Municipal Court are being given a free choice of action that they can pursue. If they want to stand trial and are convicted CORE will put up money for their appeal bond if they desire or they can serve out sentence imposed. If they wish to pay their fines previously

imposed and withdraw their appeal CORE will put up the money for the fine although CORE is opposed to paying the fine.

CORE has contacted about sixty convicted FRs who received fines and suspended jail sentences and who are presently out on appeal bond from Municipal Court. About 25 of these persons have indicated they are willing to return, withdraw their appeal, and serve out their fines.

About 60 convicted FRs are scheduled to return to Jackson for arraignment in Hinds County Court on 9/11/61. These are FRs released on appeal bond subsequent to 8/14/61. They are coming by various means of transportation, no charter buses will be used. CORE does not anticipate any testing of facilities by these persons. They will be housed in private homes and arrangements have been made to have them leave Jackson on first available transportation after their arraignment.

[redacted] knows of no new Freedom Rides scheduled for Jackson at this time.

FREEDOM RIDE, 1961
Jackson, Mississippi, June 17, 1961

The June 29, 1961, issue of the "San Francisco Examiner," newspaper, San Francisco, California, in an article captioned "Cells Jammed -- Secret Report by Bay Rider," stated in part as follows:

[REDACTED] *DOB*
"Thirty-two girl freedom riders in the Jackson, Mississippi, County Jail have been jammed into cells designed for eight, the Examiner learned yesterday. *LOS ANGELES*

"A letter smuggled out by Rita Carter, a 18-year-old Negro member of the Bay Area group arrested last week, said that the girls have responded to the crowded conditions well and keep their jailers busy by singing all night. *BERKELEY CALIF.*

" 'In our cell there are 14 Negro girls,' Miss Carter wrote. 'In the white cell next door there are 18..... We are scheduled to get out the 27th of December. I have not been allowed to make my phone calls or receive any of my clothes.' "

The July 15, 1961, issue of the "San Francisco Examiner," San Francisco, California, in an article captioned "Pastor Tells of a New Type Negro who Lives Without Fear in South -- Bay Rider Aide Here," contained a photograph of RITA CARTER and stated that Miss CARTER had described her 22 days in Jackson's County Jail and in the Mississippi Penitentiary maximum security unit. She charged that the five Bay Area girls there were "bruised all over" from sleeping on steel bunks, that she saw "a wrist breaker" used on one girl to force her out of her cell, and that the cells were cleaned up and excess prisoners hidden away when three "investigating" delegations visited Parchman (State Penitentiary).

PROGRESSIVE YOUTH ASSOCIATION, INC.
CONGRESS OF RACIAL EQUALITY

The "Houston Post" for August 31, 1961, reported that the trial of the eleven California "Freedom Riders" and the seven Houston Progressive Youth Association members was started on August 30, 1961. The local court encountered a technical flaw in the original complaint which did not properly name the Union Station Coffee Shop as the location of the unlawful assembly. By agreement between the District Attorney and the defense counsel, all the defendants were freed by an instructed verdict of not guilty, but will be brought to trial on September 5, 1961, after new complaints are filed. Judge George E. Miller announced that a speedy trial would be held since part of the defendants are college students planning to re-enter fall classes.

The "Houston Chronicle" for September 6, 1961, reported that the eleven California "Freedom Riders" and the seven Houstonians were found guilty of unlawful assembly in the Union Station Coffee Shop, Houston, Texas, and fined \$100.00 each. The verdict was returned on September 5, 1961, by a jury of six men in the County Court of Law under Judge George E. Miller. The attorneys for the defense immediately gave notice of appeal to the Court of Criminal Appeals.

RE: FREEDOM RIDE, 1961
ILLINOIS CENTRAL RAILROAD
NEW ORLEANS, LOUISIANA TO
JACKSON, MISSISSIPPI
JUNE 25, 1961

The following concerns MARIAN ALICE KENDALL.

The "Berkeley Daily Gazette" a daily newspaper published in Berkeley, California, in the issue of June 21, 1961, in part, reads as follows:

"Two more Berkeley Freedom Riders headed for Dixie today and a probable stay in the Jackson, Miss. jail. The pair left San Francisco this morning with two other Bay Area segregation challengers. Shortly before their departure the Berkeley Committee on Racial Equality scheduled a meeting to discuss a third 'invasion' of the South."

B APPROX

"JOHN L. DOLAN, 20, a University of California senior, and MARIAN A. KENDALL, both white, are on their way to Los Angeles with two Negroes - THORNTON LEOTIS of San Jose and RAY ASHBY of San Francisco. There they will join fifteen other riders en route to Jackson. DOLAN lives at 2140 Oxford St., Miss KENDALL at 2014 Channing Way..."

The "Berkeley Daily Gazette" supra, in the issue of June 26, 1961, set forth the following information under caption "third wave of riders forming":

"A third wave of local Freedom Riders is being readied for a trip to Mississippi... Meanwhile, two more Berkeleyans arrived in Jackson Sunday and were given the usual reception -- a warrant charging them with disturbance of the peace and a four-month jail sentence.

"When it's all boiled down, the way humanity treats humanity down here is a little sickening," MARIAN A. KENDALL of Berkeley, spokesman for the latest arrivals, said. The 35-year-old social worker and JOHN DOLAN, 20, a University of California senior, were among the 14 Californians arrested in the white waiting room of Jackson's railway terminal.

"In all, 20 white and Negro riders were jailed Sunday ... Within 10 minutes after arrival of the 20, they were on their way to the police station and jail. As spokesman for the group, Miss KENDALL responded 'We can't' when Police Captain J. L. RAY ordered them to move out of the station..."

The "Berkeley Daily Gazette", supra, in issue of April 29, 1959 under caption "Civil Liberties Member drive planned here", reported that the American Civil Liberties Union, Northern California branch, is observing its silver anniversary and that plans were made to launch a two week membership drive in Berkeley. Fifteen Episcopal ministers were arrested at Jackson, Mississippi, on September 13, 1961, by the Jackson, Mississippi, Police Department for breach of the peace when they attempted to test the facilities of the bus terminal. The ministers were members of a group of twenty-eight Episcopal ministers en route from Louisiana to Michigan. Information had previously been received that in their stopover in Jackson, Mississippi, the group would not attempt to test facilities.

The group of fifteen ministers arrested consisted of twelve whites and three Negroes. Among those arrested was the [redacted] New York City [redacted] Governor Nelson Rockefeller of New York State.

The group is presently confined to Jackson Municipal Jail and trial of the individuals has been postponed from September 14, 1961, until 3:00 p.m., September 15, 1961, at the request of the ministers so that they may obtain funds to post bond after the trial.

An early morning broadcast on September 14, 1961, indicated that Governor Rockefeller was contacted at Rochester, New York, for his comments. He is reported to have stated that he would not interfere in any way in this matter and that he admired the ministers.

NO 157-358

PIERCE advised that HILMAR PABEL had not been originally arrested with the group of seven in the colored waiting room because it was known in advance that he was traveling as a reporter for a foreign magazine and it was assumed he was acting merely in the capacity of an observer. When the group of seven had been arrested however, PABEL had attempted to get into the police patrol wagon with the group insisting he had a right to go to jail with them because he had been in the colored waiting room with them. When the police refused to arrest him or refused to let ride in the patrol wagon, he walked back into the colored waiting room apparently deliberately intending to get himself arrested. At this point Captain [] walked into the colored waiting room and asked PABEL to move on. When he refused Captain [] placed him under arrest on a charge of breach of the peace.

Concerning [] whom PIERCE stated was from Rochester, New York, he said that having advanced information that this woman [] they did not feel it would be humane to arrest her and accordingly she was not arrested with the above group. PIERCE said she was taken to the police department and after talking to her the department contacted [] CORE, Jackson, Mississippi, who said he would make arrangements to have her put on a plane on July 29, 1961 to return to New York. PIERCE said that [] subsequently appeared at the police department and [] left in his company and it was assumed he had put her on the 4:26 flight out of Jackson on July 29, 1961 as he stated he would.

PIERCE advised that the white male he had himself spoken to in the colored waiting room was one []

[] PIERCE advised that he had received information that this individual was [] studying in the United States and possibly a relative of [] to the United States. PIERCE said for this reason it was deemed not advisable to arrest this person. He described [] born [] pounds; [] eyes; [] hair; and a student at the University of Washington, Seattle, Washington.

Date August 4, 1961

Chief of Detectives M. D. PIERCE, Police Department, Jackson, Mississippi, advised that the following individuals were tried in Jackson Municipal Court, Jackson, Mississippi, on July 31, 1961:

BYRON MARK BAER

b6
b7C

PIERCE stated that all of the above individuals were tried for violation of Section 2087.5 Mississippi Code. All entered pleas of not guilty through their attorney. All were convicted and sentenced to four months in jail and fined \$200.

According to PIERCE some of the defendants would be transferred to the Hinds County Jail to serve out their fines and sentences and some would be housed in the Jackson, City Jail to assist the Sheriff to over come crowded conditions at the County Jail.

PIERCE advised that HILMAR EHRENFRIED PABEL was also tried in Jackson Municipal Court on July 31, 1961 for violation of Section 2089.5 Mississippi Code, a general breach of the peace statute. PABEL entered a plea of not guilty through his attorney. PABEL's attorney then moved the court to dismiss the charges against PABEL and the court then dismissed these charges and released PABEL. PIERCE said that the Judge commented that PABEL was a correspondent from a foreign country and was here as an observer and further that he had difficulty with the English language which may have caused some misunderstanding at the time of his arrest.

PIERCE advised there were no incidents during the course of the above trials.

Reference is made to the letterhead memorandum captioned as above and dated August 11, 1961, Chicago, Illinois.

On September 6, 1961, a source furnished the following information:

On August 15, 1961, at 4:10 p.m. seven persons appeared at the Dearborn Street entrance of the Old Post Office Building. The Old Post Office Building is located at Dearborn Street between Jackson and Adams Streets, loop, Chicago, Illinois.

The seven persons consisting of three Negroes and four whites picketed on the sidewalk until 6:00 p.m. in an orderly manner in front of the Dearborn Street entrance to the Old Post Office Building. Five of these persons carried signs and the remaining two persons handed out leaflets. The signs and leaflets stated the picketing was sponsored by the Chicago Chapter of the Congress of Racial Equality. The messages in effect urged the Interstate Commerce Commission to rule favorably in connection with banning of segregation in interstate transportation terminal and terminal related facilities.

One of the signs stated "Take down the WHITE-COLORED Sign in ALL AMERICAN TERMINALS."

No incidents occurred.

G-2, Chicago, and the Chicago Police Department were advised of the above information on September 6, 1961.

Re report of SA HUNTER E. HELGESON, dated 8/21/61, at New Orleans.

Reference report requested San Francisco to submit letterhead memoranda incorporating results of background investigation on Freedom Rider [redacted] of Berkeley, California.

From September, 1959, to July, 1961, [redacted] was a paid security informant of this office under symbol number [redacted]. He reported on [redacted] from the time of his development until July, 1961, when he announced his intentions to join the Freedom Ride at New Orleans. He was discontinued when it was felt that his actions in this regard might jeopardize his informant status. [redacted] was considered an excellent informant during his operation and his future reactivation in this capacity is a distinct possibility.

Reference report contains up to date background and descriptive data regarding [redacted] and the only additional information available is concerned with his services to this office as a Security Informant. In view of this and because San Francisco desires to consider his reactivation as [redacted] it is believed that submission of letterhead memoranda is unnecessary in this instance and UACB, requested memoranda will not be submitted regarding [redacted].

The August 30, 1961, issue of "The Detroit Free Press", (Metro Final), a Detroit daily newspaper of general circulation, page one, column two, carried an article reflecting that the following Episcopal ministers plan to join freedom riders on a "prayer pilgrimage" on a bus departing New Orleans, Louisiana, on September 11, 1961, and arriving Dearborn, Michigan, September 16, 1961:

Reverend Malcolm Boyd, Chaplain, Wayne State University, Detroit, Michigan

Reverend Joseph S. Dickson, Rector, St. Joseph's Church, Detroit, Michigan.

Reverend James B. Guinan, Rector, Trinity Church, Farmington, Michigan.

According to this article, the prayer pilgrimage is being sponsored by the Episcopal Society for Cultural and Racial Unity, an Episcopal church group with headquarters in Atlanta, Georgia. "The tour is primarily to alert the church and General Convention to the situation within our own structure and to recognize that we are all involved" (quotes in article from unnamed spokesman).

This article further stated that the Society hopes to gather 37 priests from across the nation for a briefing and prayer session in New Orleans on September 11, 1961, and then go to Jackson, Mississippi, the next day. The tour will include a half dozen Episcopal related colleges in the south, some integrated, some not. The men on the tour are warned

Fifteen Episcopal ministers were arrested at Jackson, Mississippi, on 9/13/61 by Jackson, Mississippi, Police Department for breach of the peace when they attempted to test the facilities of a restaurant at Jackson, Mississippi, bus terminal.

The ministers consisted of 12 whites and three Negroes. Among those arrested was [redacted] New York City, [redacted] Governor Nelson Rockefeller of New York State. *WY MKS*

The ministers are presently confined to Jackson Municipal Jail and the Jackson, Mississippi, Police Department has advised that trial of the individuals has been postponed from September 14 until 3:00 p.m., September 15, at the request of the ministers so that they may obtain funds to post bond after the trial.

The ministers were members of a group of 28 Episcopal ministers en route from New Orleans, Louisiana, to Michigan and information had previously been received that in their stopover at Jackson, Mississippi, the group would not test interstate facilities. The ministers reside in the following states: Massachusetts, Rhode Island, Missouri, Ohio, Illinois, Georgia, Wisconsin and the District of Columbia.

An early morning broadcast on 9/14/61 indicated that Governor Rockefeller was contacted at Rochester, New York, for his comments. He is reported to have stated that he would not interfere in any way in this matter and that he admired the ministers. *al*

FREEDOM RIDERS, 1961

On September 6, 1961, [redacted]
[redacted] Congress of Racial Equality (CORE), Jackson, Mississippi, advised a Special Agent of the Federal Bureau of Investigation that CORE is continuing its efforts to recruit new Freedom Riders to Jackson, Mississippi.

New recruits will be accepted only if they agree to spend six months in jail as CORE does not intend to follow past procedure of bonding the Freedom Rider out after spending a short time in jail. He acknowledged that the Freedom Rider movement into Jackson is temporarily "bogged down" because of pending litigation involving Freedom Riders convicted in past, making their bonds, returning them to Jackson for trial and the like.

The Freedom Riders who are returning to stand trial in Hinds County Court after appealing from conviction in Jackson Municipal Court are being given a free choice of action that they can pursue. If they want to stand trial and are convicted CORE will put up money for their appeal bond if they desire or they can serve out sentence imposed. If they wish to pay their fines previously imposed and withdraw their appeal CORE will put up the money for the fine although CORE is opposed to paying the fine.

CORE has contacted about sixty convicted Freedom Riders who received fines and suspended jail sentences and who are presently out on appeal bond from Municipal Court. About 25 of these persons have indicated they are willing to return, withdraw their appeal, and serve out their fines.

About 60 convicted Freedom Riders are scheduled to return to Jackson for arraignment in Hinds County Court on September 11, 1961. These are Freedom Riders released on appeal bond subsequent to August 14, 1961. They are coming by various means of transportation, no charter buses will be used. CORE does not

anticipate any testing of facilities by these persons. They will be housed in private homes and arrangements have been made to have them leave Jackson on first available transportation after their arraignment.

[redacted] knows of no new Freedom Rides scheduled for Jackson at this time.

Above-captioned cases are in a pending status in
the Los Angeles Office.

By referenced New Orleans letter, that office
furnished photographs of [redacted]
[redacted] who were arrested by the New Orleans, Louisiana,
police on 8/8/61 for distributing handbills without a
license. As pointed out in mylet of 8/10/61, it was believed
the possibility existed that the Negro woman whose name
was then unknown to Los Angeles, who was arrested in New
Orleans along with [redacted] might be identical with [redacted]

On 9/7/61, [redacted] PSI, who has furnished
reliable information in the past, was exhibited the photo-
graphs of [redacted] by SA SAMUEL W. NORTH, JR. [redacted]
identified [redacted] as being identical with subject [redacted]
but stated that [redacted] was not identical with subject [redacted]
[redacted] further advised that the Los Angeles News and Letters
Committee (Los Angeles Local, Forest Faction, Johnson-Forest
Group) expected both [redacted] would be "down South"
for a long time due to their arrest, but that they would return
to the Los Angeles area when everything was over.
